<sup>\*\*\*</sup> The increase in tax rate is primarily due to 2012 Sales Update which resulted in the town's total assessment decreasing approximately 22%. If the amount to be raised by taxes stayed the same as the previous year, the tax rate would have increased by approximately the same amount (22%). However, the 2012 tax rate had an overall increase of 19.5% - a function of the decrease in the total amount to be raised by taxes.

## 250<sup>th</sup> ANNIVERSARY REPORT

We celebrated the 250th Anniversary of the settlement of Fitzwilliam with three days of exciting programs on the weekend of July 27th-29th, 2012 that brought the entire community together. Each event was well attended and all drew enthusiastic appreciation. Indeed it was even said that the celebration should become a yearly event!

Preparation began in 2011 when the Selectmen appointed a Steering Committee to plan and implement events for the celebration. Fund-raising plans began immediately. While the initial funding was established with an article on the 2012 town warrant for \$12,000, the committee was committed to

raising funds to offset this amount.

The major fundraising event of the committee was a very successful Silent Auction held at the VFW in April of 2012. This event not only provided a social event for townspeople and great buys for shoppers; it raised a significant amount of money toward the anniversary celebration. Throughout the year, commemorative items were sold at the Library, the Town Hall and at various events. These included hats, shirts, license plates, mugs and water bottles. These sales totaled over \$6,000. At the end of the celebration we had a surplus of \$2,389.

After many months of planning, summer came, and decorations, including banners and bunting, began to go up on the buildings. Brochures, banners and flyers, designed by Coni Porter, began to be distributed. Town historian Bob Corrette began his three-part lecture series at the Library. An historic photo exhibit of Fitzwilliam's past was put on display at the upstairs meeting room of the Library that drew hundreds of viewers. Before we knew it the weekend arrived and all of the efforts put forth by so many were about to be realized.

The Common Kickoff on Friday evening, included free pizzas, a dessert contest with a table groaning under delicious submissions, dancing for all ages with music through the years, a contra dance, historical reenactments and our beautiful Town Hall specially lit for the evening.

The high point of the evening was the Town Photo with over 300 citizens gathered on the Town Hall steps, while the photographer, poised high on a bucket loader provided by John Holman, took photos.

Highlights on Saturday included a pancake breakfast cooked by FFD members, the awarding of the Boston Post Cane to oldest citizen, Betty Miller, with local dignitaries in attendance and the closing of a time capsule to be opened on the next anniversary. Emerson school students submitted many items for the capsule as well as creating a wonderful exhibit of Fitzwilliam's history which was shown at the Depot train station. A reenactment camp was housed on the Church lawn for all to see what living conditions were like in the past.

Though the weather was damp for the parade, spirits were high. Six floats created by local organizations, three marching bands, fire trucks old and new, animals, and antique cars bearing local dignitaries, wound their way down Lower Troy Rd, along the common and down Rt 119 to Emerson School to the cheers of onlookers.

Lots of games were held, both old-fashioned and new, for the children in the afternoon and evening. A long day was capped off by the Lions Club Barbecue and a glorious show of fireworks over Rockwood Pond.

Sunday was a beautiful day that commenced with an ecumenical service at the Community Church and lovely music from a special choir directed by Bill Davis. The afternoon began with a handtub fire muster that drew participants from all over New England as well as a large and appreciative audience who

snacked on hamburgers and hotdogs. The concluding event of the weekend was the 100th Birthday Celebration of the Town Library. The lawn of the library was packed with all ages enjoying cupcakes and punch supplied by the Friends of the library as well as storytelling and a finale of rousing band music.

A commemorative Photo Album may be viewed at the Town Library by all who wish to remember the weekend.

We, the members of the Steering Committee for the 250th Birthday Celebration, thank the members of the subcommittees and all the many volunteers, too numerous to name, who gave their time, their ideas, and their resources to make this celebration a success.

## 2012 BOARD OF SELECTMEN REPORT

The following is the report for the year 2012 from the Board of Selectmen. We would like to extend our appreciation for all the people who have worked for the town, either as employees or one of our many town boards and committees, whether elected or appointed. We wish to extend our thanks to all for their efforts: this is what makes Fitzwilliam such a great community.

We ended 2012 on firm financial footing. We thank the budget committee for preparing a lean budget, and for department heads for operating within their budgets. This year we completed our sales study update to bring all property assessments to 100% of market value. It had been five years since the last sales update and it resulted in a decrease in the total assessment. The real estate market has been declining for the last several years and so it was no surprise that values declined an average of 22%. Since the total assessment of the town decreased, the tax rate had to increase — even though the amounts to be funded by taxes, for the most part, went down. However, with less assessed value, our tax rate did increase to cover the budget for school, county and town.

2012 was the 250<sup>th</sup> year for the town, and through the careful planning of the 250<sup>th</sup> committee, and the enthusiastic participation of the townspeople, it was a most enjoyable time for all. We wish to thank all who worked to fundraise, organize, and implement all the many activities, and to all those who attended. It is a real tribute to our town and community that in spite of the only rain of the summer, everyone seemed to enjoy themselves. Again, many many thanks to those who made this possible!

This year, the Board of Selectmen applied for and received one of the Conservation License Plate Grants for historical restoration. This grant money comes from the sale of "moose plates". All research and final preparation for the grant was done by our Town Administrator, Paula Thompson, and we thank her for her efforts. We were awarded \$10,000 to repair and restore the benches in the town hall. Any additional money for this project will come from the General Government Buildings Expendable Trust Fund. It was discovered during the research necessary for the grant that benches were the pews original to the building when it was constructed in 1817. In 1858, the town paid a total of \$1000 - \$651 for the building and the remaining \$349 to the pew owners. The project has already begun and we anticipate that it will be completed by the end of the summer.

Voters approved additional money to complete repairs on the bottom half of the town hall tower. We were able to do most of the repairs and carried the balance of funds forward into 2013 to finish the work. There remains additional work to be done on the upper half of the tower, which we plan to address in 2014.

By the time you read this, the town should have our new ambulance, purchased in 2012 for a spring 2013 delivery. This was a purchase paid for in part by funds from the Ambulance Revolving Account (fees for ambulance services), capital reserve money and \$34,000 raised by taxes in 2012. Our current ambulance is 12 years old and ready to be retired!

In an effort to contain capital expenditures, we have not supported some of the requests by departments for the 2013 budget: We have decided to wait to paint all of the town hall – instead only painting the two worst sides using money in an expendable trust, and to forego the lease of a new cruiser for the police department.

We have been quite conservative regarding most department budgets as well. While the town budgets are easier to control, we do have county and school budgets that are harder to control from a municipal level. We urge

### **BOARD OF SELECTMEN REPORT - Continued**

everyone to participate by voting on outstanding issues before us. This year a petition article has been submitted by a group of taxpayers in Roxbury, and we hope that you participated in the MRSD deliberative session on February 9<sup>th</sup>. It is very important that you come out to vote on March 12<sup>th</sup> during the day on this article! The article may have been changed during the deliberative session but was originally written to change the formula to 75% based on Average Daily Membership and 25% based on Equalized Valuation. For the past ten years, we have been saddled with an unfair financial burden by the 50-50 split (an article put forward by petition from Troy). The Board of Selectmen support a change to the funding formula to make it more fair to all the towns in the district.

## 2012 REPORT OF THE HIGHWAY DEPARTMENT

In 2012 the Highway Department major road project was the rebuilding and repaving of Upper Troy Road. Creamery Road was also repaved and a small section of East Lake Road was paved to remove one of Mother Nature's speed bumps. In all, over 9500 feet of roadway received new pavement and improved drainage. The newly paved roads had gravel added to their shoulders and several miles of shoulder gravel was added to Fullam Hill Road. Shoulder gravel was applied to the roadways with a shoulder machine that was built by members of the Highway Department. This shoulder machine was made out of an old dump body and sander, and good old Yankee ingenuity. I am proud to work with some pretty clever guys who not only have to put up with my "cheapness" but always find ways to make things work with what we have. Thank you, Chris Rocheleau, David Loock, and Ryan Chamberlain for all you do for the Town.

As I am writing this report the last few parts are being installed on the 1987 John Deere Grader. This fall the Highway Department began rebuilding the motor and rebushing the grader with the help of Bruce Chamberlain and "not quite retired" Richard Lawrence. The grader is 25 years old and was in need of work. The total cost for this job will be somewhere around \$10,000 which is a fraction of the cost of a new grader (\$200,000). I am sure the Town will get many more years of service from the grader and who knows, in another 25 years, there may be no such thing as a gravel road – but I hope not!

This fall the Town purchased a metal building using funds from the Highway Cold Storage Building Expendable Trust Fund. The Highway Department will erect this building on the concrete slab where the old Highway Barn stood. The building is used, but was never assembled. It is 30 feet wide by 50 feet long and will be used to keep the Highway Department equipment under cover and protected from the weather. I am requesting \$15,000 in the 2013 budget to complete this project. When all is said and done, the entire cost of the site work, concrete and building will be less than \$35,000.

The 2013 road projects include the rebuilding and repaving of Bowkerville Road from Upper Troy road to Route 12 and a section of Templeton Turnpike Road in front of the Library and Town Hall. I am hoping that if these projects go well and paving prices are near last year's, I can also pave a section of Richmond Road which is in need of it. The Highway Department will also continue to add gravel to our gravel roads as they are graded each year. As always, I thank everyone who helps me do my job and will continue to always give it my best.

Thank you, Gene Cuomo

## 2012 REPORT OF THE POLICE DEPARTMENT

I would like to thank all the residents of Fitzwilliam for their continued support of the Town and their Police Department. We currently are staffed with three full-time and two part-time police officers.

We continue to be a pro-active agency and below is a listing of activity for the past year. There was a slight decrease in cases this year. We have been very successful in bringing cases to court with a very high conviction rate.

Calls for Service	4118
Citations/Warnings	593
Arrests	105
Cases	196
Animal Control Calls	237
Total Accident Response	77*
Reportable accidents, Damage or Injury	67

<sup>\*(</sup>Reportable Accident numbers included in total Accident Response)

The Reported cases over the past year include, Animal cases, Alcohol related offenses, Assaults, Domestic Violence Assault, Burglary, DWI, Theft, Drug cases, Criminal Threatening, Criminal Mischief, Criminal Trespass, Sexual Assault, Fraud, Bad Checks, M/V Theft, Motor Vehicle related offenses, Receiving Stolen Property, Identity Theft, Forgery, Disorderly Conduct, Juvenile Offenses, and others. Most of the cases are violation or misdemeanor level offenses; however there have been a fair number of felony cases this year as well as a number of parole and probation violations.

We are looking at replacing the Ford Expedition cruiser this coming year with a more economical SUV that has been designed for police work. The new cruiser is built on the Explorer frame and has a six cylinder engine which will be more economical to run than the Expedition.

Again, I would like to thank the community, on behalf of all the employees of the department, for their continued support of the Police Department. We continue to work with you and for you to be a professional and supportive part of the community.

Respectfully Submitted,

Wayne H. Kassotis Chief of Police

# 2012 REPORT OF THE TRANSFER STATION

In.2012 the Transfer Station budget had over \$20,000 left unexpended. This due to several factors. Number one was that the Town negotiated a new contract with our disposal hauler lowering some fees. Another factor was the lower amount of construction debris brought in to the Transfer Station, either due to less building or the increase the rates which we charge. I am also sure some of the savings comes from the great job being done by the Transfer Station personnel, thank you Billy Haase, Alan Pinheiro, and Richard Goodnow.

This year the Town purchased a newer used Forklift truck to replace the much older one being used at the Transfer Station. This purchase used funds from a capital reserve fund which the Town had been adding money to each year. In 2013 we hope to start heating the Transfer Station with a wood stove which was donated to the Transfer Station by Carol and Ken Beckwith. I wish to thank them for their donation and have already started to collect wood to burn there. The Highway Department spent a few days cutting trees behind the Transfer Station building which were causing a drainage problem and also cut a couple large dead trees out back. I want to thank Jay Raitto for doing a great job of digging out over 20 years worth of dead leaves and who knows what else from behind the building as well as filling in at the Transfer Station as needed, thanks Jay.

As always the amount of revenue the Town receives from the sale of recyclables depends on many outside factors which we have no control over. The newest factor affecting prices is on a more global scale. I recently attended a meeting of the Northeast Resource Recovery Association, which is the group the town belongs to, who sells our recyclables for us and learned that nearly all recycled paper goes overseas, mostly to China. China has started recycling their own paper and soon the market for recycled paper may be getting smaller. A smaller market means lower prices, making it harder to get rid of our recycled paper, which accounts for the lions share of our recycling at the Transfer Station. An example of this was a few months ago, when a trailer load of mixed paper, which normally would bring in a revenue of around \$250, cost the Town \$16 to get rid of. This was due to a glut of recycled paper in the market due to a possible strike by workers in the recycling field on the East coast. I guess what this means is that the world is getting smaller each day, what happens hundreds or even thousands of miles away, can have an effect on a small town like ours. Recycling still works and saves the Town money. In the case where the Town paid \$16 to recycle a load of paper, if we had to haul that paper away as trash it would have cost over ten times that amount. So please continue to do the great job all of you do recycling, I thank you on behalf of the Town.

Thank you, Gene Cuomo

## 2012 FIREWARDS REPORT

### **2012 CALLS**

The Fitzwilliam Fire Department responded to 241 calls from the period December 1, 2011 to November 30, 2012. The number of calls this year was a decrease from 2011, with 2007 being our highest call volume, at 301 calls. Among the responses in 2012 were: three (3) structure fires, three (3) chimney fires, twenty-seven (27) motor vehicle accidents, six (6) brush fires/illegal burns and twenty-nine (29) mutual aid fire related responses to nearby communities including, Troy, Rindge, Jaffrey, Richmond, and Swanzey, as well as Winchendon, and Royalston, Massachusetts. There were twenty (20) automatic fire alarms and CO alarms, ten (10) utility/wire related calls, four (4) other calls for service. The department also responded to one hundred thirteen (113) medical emergencies, and ten (10) mutual aid medical calls to nearby communities including, Troy, Rindge, Richmond and Jaffrey. There were also thirteen (13) public assist/lifeline calls.

# PERSONNEL, TRAINING, AND EDUCATION

The department currently has twenty-five (25) active members and three (3) senior members. The department has eleven (11) members who serve as fire personnel and three (3) as EMS personnel. Twelve (12) members are both fire and EMS certified. There are fifteen (15) New Hampshire certified fire fighters. Five (5) members are certified at Level I, five (5) at Level II, three (3) at the Intro to FF III and two (2) at Level III. There are three (3) members that are certified in Personal Protective Equipment and the use of Self Contained Breathing apparatus, and four (4) signed up for Fire Fighter I to be held at Meadowood in 2013.

There are fourteen (14) members who are certified at various levels of Emergency Medical Services. Nine (9) are Nationally Registered EMT-B (basic) members, four (4) are at the Nationally Registered EMT-I (intermediate) level, and one (1) at the Advanced EMT level. All active members are required to maintain current CPR and Hazmat Operations training.

The department hired three (3) new personnel in 2012; one of these people came with EMS training and will be taking Firefighter I, he has several years of EMS training. The other two (2) recent members are new to the fire service and will serve as fire and EMS providers once trained.

The department continues to offer monthly training for both fire and EMS personnel. Frequently throughout the year personnel participated in training with our mutual aid response area towns, as well as the training conducted with our members in town. We were able to offer a 16 hour Pre-Hospital Trauma Life Support course, which was attended by not only Fitzwilliam personnel, but those from Richmond, Troy, and Marlborough AS WELL. Many members take courses and pursue independent study at their own expense, aside from investing their time, and we greatly appreciate their efforts on the town's behalf.

### **VEHICLES**

Our inventory of vehicles includes the 2003 Pierce Contender pumper, the 1987 FMC pumper, the 2009 Mack tanker, 2009 Ford 350 Super Duty pick up forestry truck and the 1999 Ford Ambulance.

#### FIREWARDS REPORT - Continued

The department is in the process of acquiring a new ambulance following the town's vote at the 2012 Town Meeting. The Ambulance has been ordered from Sugarloaf Ambulance and is due for delivery in April 2013.

The 1987 FMC is the next piece of equipment due to be replaced. This unit, purchased used from the Derry Fire Department, replaced the 1978 engine that was in need of a new tank.

#### **2013 BUDGET**

We have presented fire and ambulance budgets that we feel meet the needs of the town and the basic needs of the fire and EMS personnel. The fire department operating budget is down \$720.00 from the 2012 request. There is also a request in the capital budget to place \$20,000.00 in the expendable trust fund for a replacement class A pumper to be purchased in the future, and \$8,000.00 to be placed in the bunker gear and radio/minitor expendable trust fund. The ambulance-operating budget for 2013 is down \$1,550.00 from 2012. As this report is prepared, the Budget Committee and the Board of Selectmen are reviewing our proposals.

The Board of Firewards, officers and members of the fire department would like to thank the community for their continued support. Community members with questions about the fire department are encouraged to contact the Firewards and officers. The members are usually at the station on Sunday mornings and Wednesday evenings for meetings and trainings and or work details, anyone is encouraged to visit and learn more about fire and EMS services in town.

Respectfully Submitted, Warren S. Hall, Jr. William N. Prigge Edwin O Mattson, Jr. Board of Firewards

250th Celebration Parade

# 2012 REPORT OF THE LIBRARIAN

In 2012, the Library celebrated its 100th year in our historic building. Of course we had to mark the occasion with a grand party, and as the town was also observing the 250<sup>th</sup> anniversary of its settlement, it seemed fitting to share our joint festivities.

Our celebration took place on a lovely Sunday afternoon on the Library lawn with over 100 people in attendance. After a few short speeches recalling the history of the building, the audience was treated to animated participatory storytelling by Joan Knight, delicious cupcakes decorated in the image of the Library building by Heidi Wood and punch and cookies served by the Trustees. Spectators had only to reverse their chairs to then enjoy a rousing band concert by the Brattleboro American Legion Band.

The Library also hosted a series of monthly historical lectures on the town history by Bob Corrette. A fascinating historic photo show, "Fitzwilliam through the Lens", was displayed upstairs to appreciative viewers during the summer. The Library had a grand float in the 250<sup>th</sup> parade decorated with full-size Seuss cutouts, truffula trees, painted scenes from Seuss books and members of the Junior Book Club riding the float in Seuss costumes they designed themselves! It was truly a spectacular sight. A 26 foot banner proclaiming our 100 years of service, designed by Coni Porter, adorned the fence all summer.

Service to the community continues to be reflected in our usage statistics which remain very consistent with previous years. Circulation of materials was 25,828. We borrowed 624 books and loaned 609 books to libraries throughout New Hampshire. Reference questions showed an increase with 1,615 queries. Acquisitions included 436 books, 175 dvds, 55 audio books and 29 magazine subscriptions. Weeding of the nonfiction and video collections began this year with more planned for next year as our shelves continue to tighten.

Computer usage of our three public computers continued to be brisk at 1,137 and the free Wi-Fi available outside after hours, has continued to aid those in need of internet access. The most notable increase in statistics was once again in the 1,631 downloaded audio and eBooks. In the 4 years we have offered this service, the number of users has increased 40% each year. After the Keene Public Library, we are the largest per capita user of the NH Downloadable Consortium. We believe this number is partially due to the encouragement and logistical support we offer to any patrons who wish to learn to use this service.

A new technical service offered this year was access to Mango Languages Online Language Learning system with lessons in 36 languages. A Fitzwilliam Library card number is all that is necessary to begin taking language lessons via any computer, tablet or smart phone. The Elizabeth Massin Memorial Fund will be funding this service as well as planned expansion of our travel collection in 2013.

Mango Languages and all our online databases, as well as current program information, is available through our website, www.fitzlib.org.

Programming was not just birthday oriented this year. 103 programs were offered in 2012 with over 1,600 people in attendance. The Summer Reading Program, "Dream Big...Read", for children aged 5 and up included weekly programs with the Mariposa Museum, the Squam Lake Science Center and Magician Norman Ng. Summer Movie Nights took place on Monday evenings.

Technology instruction is always a priority at the Library. In the spring we offered Information Nights focusing on research consumer databases and downloading Kindle books, and in the fall, now renamed Wired Wednesdays, we offered Mango, Skype, Google, Downloading eBooks and iPad instruction.

Preschool Storytime, Junior Book Club, Junior Afterschool Program, the Adult Book Group, Creative Movement for Toddlers and the Winter Program

#### LIBRARIAN'S REPORT - CONTINUED

continued to meet regularly throughout the year. A new program offered this year was Homework Help.

The Summer Art Shows opened with a beautiful show of watercolors by Margaret Fitzwilliam, hosted the "Windows to the Past" Photo Show and then finished with a repeat of Sybille Leary's sellout show of Whimsical Creations.

In 2012 we had some changes in staffing. We were pleased to have staff member Donna Hill move up to the position of Assistant Librarian. And midway through the year, we welcomed Jeremy VanDerKern as the new Library Assistant in the evenings.

The Board of Trustees also saw some changes with the retirement of Joanne Kesses. Joanne and I were the last holdovers from the building project days and her experience will be missed. Cathie Talbert has rejoined the Board and we continue to have a strong, supportive and involved Board of Trustees.

Thank you to our Friends of the Library whose financial support continues to fund all our programming and whose enthusiastic board members continue to help plan and implement those programs. From painting the Grinch on a float, to baking Library cupcakes, to creating bat mobiles and snow animals and carrying out armfuls of boxes loaded with books for the Annual Book Sale, this Board does it all!

Thank you to all the volunteers who helped us this year with donations of work and time and even fresh flower bouquets. We look forward to another 100 years of service to this wonderful community.

# 2012 REPORT OF THE RECREATION DEPARTMENT

The Recreation Department had a great year! We continued to offer existing programs, seasonal sports, and exercise classes which are facilitated by a coordinator and overseen by the Recreation Commission and the Recreation Department Coordinator. In addition to existing programs, the Recreation Department offered additional programming this year that were successful.

Kripalu Yoga continues to be offered Thursday evenings at the Fitzwilliam Town Hall. Sharon Laflamme is the instructor and her multi-level adult classes are taught from 6:30-7:30. Zumba is offered twice a week. Zumba Toning is held Tuesday and Zumba Dance is held Thursday evening. Both classes are held from 6:30-7:30 at the Emerson Elementary School and are instructed by Laurie Legault from the Clark Memorial YMCA. For more exercise, Open Gym is offered for Men's Basketball and Adult Co-ed Volleyball.

The 2012 Basketball Season had about 60 participants. Alison Bunch was the Basketball Coordinator and helped to facilitate games with the town of Marlborough as well as within our own program. The 2012 Soccer Coordinator was Anthony Toscano who had to coordinate over 100 kids from preschool through sixth grade this past fall! Both programs successfully taught kids the skills to play while having lots of fun. Many thanks to all the parents who volunteered to coach, assist, referee, and keep score—these programs cannot thrive without you! Thanks to all who visited the snack shack and helped the sixth graders with funding their annual Ferry Beach trip.

The Recreation Department was happy to have Jeremy Rathbun back this summer for another fun-filled Summer Recreation Program. The 5-week program had 53 participants who enjoyed hikes up Gap Mt. and Mt. Monadnock, bowling at Yankee Lanes, trips to Greenfield State Park, Canobie Lake Park, and an exciting carnival day filled with games, food, and even a bouncy house!! Each day was planned with activities, games, and crafts that kept the kids amused and busy. The staff of counselors was great and worked hard at having fun.

As in years past, the Fishing Derby was held Memorial Day Weekend with the help of the Fitzwilliam Police and Fire Departments, as well as New Hampshire Fish and Game. A huge turnout of families came to enjoy the morning at the Children's Fishing Pond behind the Town Hall. Prizes were awarded as the Fire Department offered barbeque.

We had a great day for the Charlie Wallace 5K! Twenty-six kids ran the Fun Run and 46 people ran the 5k held on Saturday June 3<sup>rd</sup>. Thanks to all the volunteers and the many generous donations of prizes and food, it was another successful year for our annual run.

The Recreation Department was invited to help with the town's 250<sup>th</sup> Birthday Celebration. It hosted a Family Fun Relay and Obstacle Course at Emerson School during Saturday's schedule of events. Kids of all ages came to play!

On Saturday June 9, 2012, the Recreation Department was happy to sponsor a Babysitting Course instructed by the Red Cross. 12 local girls successfully completed the course and received certification. The one-day class was held at the Fire Department. Another new program held in June introduced Geocaching, the "game of high-tech hide and seek" to area residents.

This year, Fitzwilliam participated in the Litter-Free NH campaign. Residents helped to clean up the roadways with blue bags provided by the State. Even the Summer Recreation Program lent a hand to help clean up Rhododendron Road near the Pole Barn.

# **Recreation Department report - Continued**

Age in Motion, an adult exercise program run by Home Healthcare, Hospice and Community Services continues to be well-received. Classes ran twice a year in 10-week sessions at Meadowood Assembly Hall. Older adults looking to add strength and flexibility joined others on Mondays and Wednesday during class sessions for an hour before Friendly Meals.

Right before the holidays, we sponsored a Gingerbread Class at the Fitzwilliam Community Church, instructed by Nancy Carney. A dozen locals baked and decorated festive luminaries to bring home for the holidays.

Thanks to the town's vote, the Department purchased and constructed a portable ice skating rink under the pavilion at the Pole Barn. We had tremendous help from volunteers, Gene Cuomo and the Highway Department as well as the Fitzwilliam Fire Department who have started to fill the rink with water from their trucks. It's been a big collaborative effort and we look forward to lots of ice skating in 2013!! Hopefully, there will be snow for other winter activities such as skiing and snow shoeing; since the trails have been cleaned up for town use.

The Recreation Department continues to work to provide free or low-cost programs for the community. The Commission meets every second Monday of the month. We encourage suggestions and feedback from residents. Feel free to stop by or call 585-7270 email us at <a href="fitzec@wivalley.net">fitzec@wivalley.net</a>.

### 2012 CEMETERY REPORT

### **Burials in 2012**

There were 10 burials in the Fitzwilliam cemeteries in 2012. We continue to see more cremation interments than full burials which is the national and regional trend.

# **Recurring Work**

Mowing and trimming continued as usual with a work crew of two individuals. We carefully watch the hours expended to ensure that we are completing this work in an efficient manner. Our fall cleanup at the Village Cemetery did not start until the beginning of November due to the late completion of the fall leaves dropping to the ground.

### **Equipment Issues**

The two zero turn mowers saw extensive use and their usefulness and efficiency provide a sound return on the initial investment. The Hustler completed its second full year of use with only routine maintenance. The Gravely completed its eighth year of operation and cemetery personnel completed a thorough maintenance overhaul with replacement of belts, tires, wheel bearing and other moving parts. The engine continues to run without any problems. All other equipment is in good running condition, lubed and cleaned for the winter.

The cemetery pickup truck is well past its prime of life and is in need of replacement. We received \$2000 from a warrant article last year and have requested an additional \$5000 this year to enable replacement of the truck with another used pickup.

## Tree, Stumps and New Plantings

We were able to avoid the removal of any large trees this year at the Village Cemetery but the old trees continue to deteriorate. Due to the age of these trees and damage from the elements, insects and animals, we will need to remove additional trees in the future.

We removed five of the old stumps this year in the Village Cemetery and were able to replace the soil and grass to beautify the affected areas.

Two small trees were planted in Section One of the Village Cemetery and one larger tree was planted in the Memorial Area at Pine Grove. Although now small, we hope these will grow and mature to enhance the appearance of both areas as we are gradually forced to remove the older trees.

## **Grass and Leveling**

The dryness of the late summer severely affected the grass, particularly at the Pine Grove Cemetery. Any grass without a strong root system or with poor soil did not fare well and turned brown or died, resulting in many ugly areas of various sizes. Our workers worked during the early fall to enhance the soil with new loam, fertilizer in some areas and planting of grass that we hope will perform better in the dry weather conditions. Only a few areas were able to receive this attention but showed strong growth by the end of the growing season. Hopefully some more of the worst areas will receive similar attention next year.

This year we again were able to accomplish the filling and leveling of a number of low or sunken areas in the Village Cemetery. This improves appearance and also facilitates the mowing of the affected areas. This work will continue as time and materials allow.

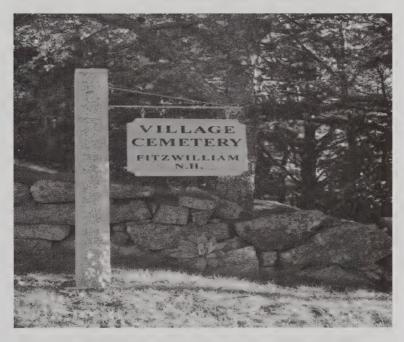

### **CEMETERY COMMISSION REPORT - Continued**

# **Projects**

A limited amount of project work was accomplished in 2012 due to manpower and budget limitations. Sunken memorial stones and lot markers were raised but there are numerous more that need attention. Several memorial stones at the Village Cemetery were leveled and a smaller granite curbing was leveled which was a continuation of work from prior years.

One project that we need to accomplish will be the leveling of the granite curbing and associated stones in the Village Cemetery. This will be a difficult project and will extend over several years. Overall, we continue to make slow but gradual progress with the repair, leveling, straightening, raising and maintenance of the old memorial stones at the Village Cemetery.

## 2012 REPORT OF THE TOWN CLERK

2012 was a busy, eventful year in the Town Clerk's office. It began in January with the Presidential Primary and ended in December, posting the first increase in revenue since 2005.

Motor Vehicle transactions were up over 2011. We processed 3644 receipts in 2012 compared to 3560 in 2011. We issued 760 dog licenses in 2012 compared to 751 in 2011. Total revenue for the Clerk's office in 2012 was \$364,453.12 (\$342,696.63 in 2011), which includes Motor Vehicle, dog licensing, vitals and other miscellaneous areas. A complete breakdown of receipts is in another report within this Annual Report. As mentioned above, this is the first increase in revenue from this office since 2005.

In addition to EREG and ELI (registration renewals and renewal of dog licenses) we added Vitals to our online services. One can request a certified copy of any birth, marriage, or death online once direct and tangible interest is proven. This is just one more service that we offer for your convenience. (www.eb2gov.com)

We continue to send email reminder notices for Motor Vehicle renewals and added email notifications for dog license renewals. If you are not currently on our email list you can give your email address when at the office or send us an email asking to be added (fitzclerk@wivalley.net).

We coordinated and hosted 5 Elections in 2012. The Elections included: two Primaries, one Local/School, one General and one Special School election. A total of 2794 ballots were cast during those elections, 183 were by absentee ballot. As of the end of 2012 Fitzwilliam had 1608 registered voters (627 Undeclared, 478 Democrats and 503 Republicans). In March, at Town Meeting, the voters decided to continue using the AccuVote machine to process ballots. I welcome any questions regarding the AccuVote machine and invite anyone to observe the testing of the machine before any election it is to be used in. In September the State added the Voter ID Law and was greeted with many voters voicing their disapproval of the Law. Although many did not agree with the Law. Fitzwilliam voters graciously followed the rules, which made the check-in process run smoothly. The 2012 General Election had a higher voter turnout than the 2008 General Election and it was one of the most successful elections in terms of processing the voters through and reconciling at the closing of the polls. I believe this success is due in part to the dedication of all election workers and their desire to provide the voters of Fitzwilliam the best voting experience possible while obeying all election laws.

In July the State approved the Town as a Certified Boat Agent. This allows us to register boats, not just the trailers. Any person wishing to register a boat in NH can come to this office; they do not have to be a Fitzwilliam resident. All local fees from processing Boat registrations stay here in the Town, adding to the revenue collected by this office. We did process 9 boat registrations in 2012, more than anticipated since certification happened in mid-July. I would like to thank Representative Dwinell for his attention to this issue. I believe he made our certification happen long before it would have if he had not gotten involved. I first applied to be a Boat Agent in 2008, and it finally came to be in 2012.

Denise and I strive to make your visit to the Clerk's office as pleasant and efficient as possible. In December we applied to be part of a pilot program with the State where we do not have to call in to get permission to release plates. This cuts down processing time and gets you out the door quicker. We always investigate any new process that will make this office run more efficiently and eagerly accept offers to add services.

Respectfully submitted, Heidi L. Wood, Town Clerk

### 2012 REPORT OF THE PLANNING BOARD

The first duty of the Planning Board is to prepare and amend a master plan to guide the development of the municipality. This year the Planning Board officially adopted the 2012 Master Plan, which incorporates the Conservation Commission's Open Space Plan and Natural Resources Inventory in their entirety. Planning Board regulatory duties include the review and approval of all subdivisions, lot line adjustments, voluntary mergers and site plan review applications. The Planning Board may, from time to time, recommend to the local legislative body amendments of the zoning ordinance. (RSA 674:1)

At the 2012 Town Meeting, twelve zoning amendments were proposed, which implement goals stated in the 2012 Master Plan. All passed, including one allowing detached accessory apartments by special exception in all districts. This change addresses a Master Plan goal to create housing opportunities for all residents, acknowledging the intergenerational housing needs of our residents.

After conducting twenty-one preliminary consultations and twenty public hearings, the Board:

- 1) Approved two subdivision applications, creating 3 new residential lots;
- 2) Approved one wetlands permit;
- 3) Approved three boundary line adjustments;
- 4) Approved three new business site plans; and
- 5) Approved one voluntary merger.

This year the Planning Board met with the Economic Committee to discuss business friendly practices; the Open Space Committee to discuss implementation of the Open Space Plan; the NH Department of Transportation to discuss the intersection of Routes 119 and 12; and sent a representative to a pre-application meeting with the NH Department of Resources and Economic Development and a potential applicant to discuss quarrying permits under both local and state jurisdictions per RSA 12-E.

The Planning Board meets on the first and third Tuesdays of the month at 7:00 pm in the Town Hall. All meetings are open to the public.

### 2012 REPORT OF THE ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment hears appeals for relief from zoning ordinance requirements. The Board considers the unique circumstances of each case and decides to grant relief, if warranted, based on specific criteria. They consider the impact of the proposed action on the neighborhood and the land, and whether it is in harmony with the purpose and intent of the zoning ordinance. The Board can't change zoning ordinances but is empowered to grant appeals in accordance with State Statute and local law as specified in the Land Use Code.

The Board considers appeals for Variances, Special Exceptions and Equitable Waivers of Dimensional Requirements, Appeals of Administrative Decisions and Motions for re-hearings. During 2012 the Board of Adjustment deliberated on six cases: granting one special exception for an accessory apartment within a home; granting two variances and denying one variance for setback appeals, granting one variance for a business sign, and continued public hearings into 2013 on an appeal to reverse an Administrative Decision regarding a building permit.

The Zoning Board of Adjustment meets the second Tuesday of the month, when they have an application before them. The Board invites and encourages all interested parties to attend hearings and meetings as noticed.

### 2012 REPORT OF THE HISTORIC DISTRICT COMMISSION

The mission of the Historic District Commission is to preserve structures and places of historic and architectural value; preserve a district in the municipality that reflects elements of its cultural, social, economic, political and architectural history; conserve property values; foster civic beauty, and maintain the existing architecture of the district. The Commission reviews all exterior construction located within the Historic District of Fitzwilliam through an application process and public meetings. They are also responsible for amendments to and adoption of regulations in accordance with State statutes.

In 2012, the Historic District Commissioners met six times and used the design guidelines to review eight applications including: adding a dormer to a home, adding a deck to a home, replacing windows and roofing, constructing a shed for animals, and adding a new gutter system to a home.

Applications for exterior changes within the Historic District must come before the Commission for consideration and approval. The Commission meets on the second Thursday of each month at 4:00 PM in the Town Hall when there is a case before it. All meetings are open to the public and we encourage participation from all those interested.

### 2012 REPORT OF THE CONSERVATION COMMISSION

The Fitzwilliam Conservation Commission continues its mission to protect the natural resources of the town. The Commission is currently working with the Monadnock Conservancy to add the "Menard Lot" to the current easement on the Widow Gage Town Forest (addition of the Menard lot to the Forest was approved at the March 2012 town meeting) and explore other conservation options on other town forests and with private land owners. We updated the trail map for the Widow Gage Forest, and we continue to monitor trail activity, manage maintenance, erect signs, oversee improvements, and promote usage of the Forest hiking trails. The Commission wishes to thank Frank Bequaert and the staff of the Monadnock Conservancy for assistance in monitoring and preventing ATV and trail bike usage of these trails (they are for hiking only).

2012 was a relatively slow year for review of projects affecting town wetlands, but the Commission continues to make recommendations to local, state, and federal authorities regarding various construction projects as they occur. We also reported on and helped document numerous incidents of unlawful birch tree destruction and heard public concerns about the possible reopening of Fitzwilliam quarries. Members participated in four site walks and attended a conference at UNH.

The Open Space subcommittee completed the Open Space Plan, which was adopted as part of the town's Master Plan, and has begun implementing the Plan. The subcommittee continues its outreach to identify opportunities for maintaining town open space and is working with several town land owners who have requested additional information or assistance. Rosalind Slavic continues her regular articles on conservation issues in the *Newsletter*. Barbara Green served as a Commission representative to the Laurel Lake Property Advisory Committee.

The Commission continues to seek additional members. If you are interested in joining please contact Paul Kotila (Conservation Commission), Dorothy Zug (Open Space Committee), or the selectmen's office.

# 2012 REPORT OF THE CODE ENFORCEMENT OFFICE

The Code Enforcement office enforces regulations of the Fitzwilliam Land Use Codes, issues permits for construction, and occupancy permits for new home occupation after completion of construction.

Upon receipt of a written complaint, the Code Enforcement Officer performs an investigation, ensures compliance of construction permits to applicable zoning requirements, dedicates Emergency 911 numbers; and reviews all construction permit applications and plans. This review ensures safety from fire, flood and establishes that all other public requirements are met. Once a permit has been granted, the Code Enforcement Officer visits the property prior to the start of construction to determine that all setback requirements have been adhered to.

If you should have any questions with regard to permitting for construction please contact the Board of Selectmen's Office to obtain a copy of the Construction Permit regulations. Please remember that all construction, renovation, demolition and changes to buildings require a permit. We have been seeing an increase of construction being completed in town without first obtaining a building permit approval. It is always best to check with our office prior to construction to determine if a permit is required. When applying for a permit, please remember to allow yourself enough time for the paperwork to be processed prior to the start date of construction.

In 2012 60 construction permits were issued, with only two issued for new single-family dwellings. If you should have any questions with regard to building issues, please feel free to contact the Selectmen's Office at 585-7723.

Respectfully submitted,

Code Enforcement Officer

### 2012 REPORT OF ANIMAL CONTROL

Another year has come to an end and it was a busy one with Animal Control calls again this year. Crystal, our ACO, attended a training conference on animal control issues sponsored by the National Humane Society.

Over the past year there were 237 calls for service regarding animals. This is down slightly from last year. These calls ranged from loose pets and nuisance animals to livestock issues and dog bites.

Remember to call the police station to report a stray or other animal complaint. The call will then be given to the ACO to address. As usual, if Crystal is not available, the on duty officer will handle the call.

We had many requests to remove nuisance wildlife over the past year. We have hav-a-hart traps for this use so if you have a need please contact the ACO.

When we find unlicensed dogs in Town we now bring them to the police station and place them in a kennel during the day. So if an owner comes home from work and finds his dog is missing, there is a change that it will be being held at the police department – thereby saving you a trip to the humane society. Please check with the PD if your dog is missing.

Please remember to license your dog by April 30<sup>th</sup>. Thank you for your support and assistance over the past year. If you have questions or concerns regarding Animal Control issues please feel free to call ACO Shoufler or the Police Department.

Thank You Chief Kassotis

# 2012 REPORT OF THE ECONOMIC COMMITTEE

The Fitzwilliam Economic Committee continued to get traction in 2012. We are hosting our first Fitzwilliam Business Panel Discussion on March 27<sup>th</sup> in the Town Hall Upper Meeting Room. Please join us! We will have guest experts providing tools to make a business successful in our rural community; including websites and other marketing strategies. We will have time for interactive discussion and networking allowing for business owners in town to get acquainted (or reacquainted!). We welcome all residents of Fitzwilliam to attend this event, and plan to have additional Panel Discussions as the year progresses.

The Economic Committee is partnering with the Agriculture Committee to work on a town wide event in the fall. We learned much from the success of the Fitzwilliam 250<sup>th</sup> Birthday celebration -how to help the small businesses in town benefit from an event of this nature.

We have completed an updated town business directory, which can be accessed online: <a href="www.fitzwilliam.org">www.fitzwilliam.org</a>. General questions or listing changes can be directed to <a href="fitzecon@gmail.com">fitzecon@gmail.com</a>

Melanie Patterson, a small business and career coach has joined our committee. We welcome others to attend our meetings and we are looking for alternate members. The more input, the better! We wish to thank the many residents and local business owners who have attended our meetings to offer their viewpoints, concerns and support. We meet at The Town Hall on the third Wednesday of the month. Everyone is welcome.

# HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES REPORT TO THE TOWN OF FITZWILLIAM JANUARY 1, 2012 TO DECEMBER 31, 2012

# **ANNUAL REPORT**

In 2012, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Fitzwilliam. The following information represents HCS's activities in your community over the past twelve months.

# SERVICE REPORT

#### **SERVICES OFFERED SERVICES PROVIDED** Nursing 491 Visits Physical Therapy 80 Visits Occupational Therapy 16 Visits Speech Therapy 1 Visits Medical Social Worker 31 Visits Home Health Aide 71 Visits Chronic Care 134 Hours Maternal and Child Health Care 4 Hours Meals-On-Wheels 744 Meals Total Unduplicated Residents Served: 64

Hospice services and regularly scheduled "Nurse Is In" clinics are also available to residents.

# **FINANCIAL REPORT**

The actual cost of all services provided in 2012 with all funding sources is projected to be \$127,048.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 2013 we request a total appropriation of \$2,040.00 to continue home care services and \$484.00 for the Meals-On-Wheels program.

For information about services, residents may call (603) 352-2253 or 1-800-541-4145, or visit www.HCSservices.org.

Thank you for your support of home care services.

# 2012 REPORT OF THE MONADNOCK ADVISORY COMMISSION

The Monadnock Advisory Commission was created by State Statute and is charged to advise and guide the Department of Resources and Economic Development on the management of State lands and leased lands on Monadnock, Gap and Little Monadnock mountains.

Monadnock Trails week takes place every summer. Working a total of 636 person hours, 37 Volunteers helped 8 staff members complete several trail projects and refurbished several others. Work was also done to trails on Gap Mountain.

Park Staff and volunteers responded to numerous hiker incidents and searches throughout the year. Monadnock State Park Manager, Patrick Hummel, reported a day use of 80,785 at Headquarters and 14,535 at other trail heads. Camping levels were up to 3,039 for Headquarters (group camping sites) and 3,796 at the Gilson Pond Campground.

As a primary funding source for such things as search and rescue equipment and supplies, State law allows MAC to receive donations. Specified donations have been received in past years for such things as blazing trails and signage.

MAC meets twice a year, usually at the Jaffrey Civic Center and dates and times of meetings are listed in area newspapers. The public is welcome to attend these meetings.

Respectfully submitted,

# 2011 REPORT OF NORTHEAST RESOURCE RECOVERY ASSOC.

"Partnering to make recycling strong through economic and environmentally sound solutions"

Dear NRRA Member,

As a member of Northeast Resource Recovery Association (NRRA), your community has access to all the services of this first in the nation, 32-year old recycling cooperative. Your member-driven organization provides you with:

- Up-to-date Technical Assistance in waste reduction and recycling;
- Cooperative Marketing to maximize pricing and Cooperative Purchasing to minimize costs;
- Current Market Conditions and Latest Recycling Trends, both regionally and nationwide:
- Innovative Programs (i.e. Dual Stream, Consolidation and Single Stream);
- Educational and Networking Opportunities through our Annual Recycling Conference, our new Bi-weekly
   "Full of Scrap" email news, monthly Marketing meetings, website, and Fall Facility Tours;
- School Recycling Club a program to assist schools to promote or advance their recycling efforts:
- NH DES Continuing Ed Credits;
- NH the Beautiful Signs, Grants, Bins and Recyclemobiles.

The membership has grown to include more than 400 municipalities, businesses and individuals in New Hampshire, Vermont, Massachusetts, Connecticut and Maine. NRRA, as a non-profit organization, is unique in that we do not charge a "brokerage fee" or work to maximize profit gains, but rather has a minimal "Co-op" Fee" which is re-invested into programs to further your recycling programs and solid waste reduction efforts in schools and municipalities.

Through your continued support and dedication, NRRA has assisted our members to recycle over 78,890 tons in fiscal year 2011-2012!

# THE STATE OF NEW HAMPSHIRE TOWN OF FITZWILLIAM TOWN WARRANT 2012

To the inhabitants of the Town of Fitzwilliam, in the County of Cheshire, in said State of New Hampshire, qualified to vote in town affairs, you are hereby notified to meet at the Town Hall in said Fitzwilliam on Tuesday, the 13<sup>th</sup> of March next between eleven (11:00) o'clock in the forenoon and seven (7:00) o'clock in the afternoon to act on issues required to be voted on by ballot (Articles 1 though 13) and to meet at seven (7:00) in the afternoon to act on the business matters of the Town (Articles 14 through 30). The polls will be open on ballot issues not later than 11:00 a.m. and close not earlier than 7:00 p.m., or such later time as shall be authorized by a vote of the Town.

**ARTICLE 1.** To bring in your votes for the election of one Selectman for three years; one Moderator for two years; one Fireward for three years; two Budget Committee Members for three years; one Trustee of the Trust Funds for three years; one Trustees of the Library for three years; one Supervisor of the Checklist for six years; one Cemetery Commissioner for three years; two Planning Board members for three years; and three Commissioners of Plante Memorial Park for one year.

**ARTICLE 2.** To see if the Town will vote to amend the Town of Fitzwilliam Code Chapter 97, Building and Construction, Chapter 97-1, Permit Required to Construct Building or Structure, by deleting the words "intended for human habitation" so that said section reads as follows:

"No building or structure shall be constructed, erected or placed on a plot of land within the Town without first obtaining a permit from the Board of Selectmen according to Chapter 127-39 of the Land Use Ordinance." (Note: Chapter 127-39 was passed at a Special Town Meeting on December 22, 1987. It effectively supercedes Chapter 97, passed March 5, 1974.) (Recommended by the Board of Selectmen and the Planning Board)

**ARTICLE 11.** To see if the town will vote to amend Chapter 127, Article III, 127-9 "Residential Uses" by deleting the present Paragraph 127-9 B. ("Single-family dwelling with an apartment"), and substitute therefore a new Paragraph 127-B as follows:

# "127-9 B. Accessory Dwelling Units

Purpose: to provide expanded housing opportunities and flexibility in household arrangements, accessory dwelling units shall be permitted by special exception in any district in conformance with the following regulations.

ACCESSORY DWELLING UNIT means a separate complete dwelling unit that is contained within or attached to a single family dwelling, or within an accessory building, only if the accessory building contains another accessory use such as a garage, barn or storage building, and for which the title is inseparable from the primary dwelling.

- All applicable regulations of the Town of Fitzwilliam shall be met before an accessory apartment is permitted.
- b. Accessory apartments are not intended for individual ownership. The title shall be inseparable from the primary dwelling.
- c. In granting a special exception, the Board of Adjustment must find that the secondary dwelling unit, within or attached to a single family residence or in a detached accessory building, is developed in a manner which does not alter the character or appearance of the principal dwelling unit as a single family residence.
- Only one accessory dwelling unit shall be allowed per principal single family dwelling unit on any lot of record.
- e. The accessory dwelling unit shall have a separate house number from the principal single family dwelling unit.
- f. Accessory dwelling units cannot be converted to a principal dwelling unit.
- The property owner is required to reside in either the principal or the accessory unit.

- h. In the absence of an existing state approved septic plan on file with the Town, which is adequate to meet the increased load of an accessory apartment, a new state approved septic plan will be required to be on file in accordance with NH RSA 485-A:38.
- The accessory unit, as secondary and incidental to the principal dwelling unit, may not exceed eight hundred (800) square feet in gross floor area.
   Mobile homes and manufactured houses may not be used as or converted to become accessory apartments.
- j. Both principal and accessory dwelling units shall share a common access to a state, town or private road. Adequate off-street parking shall be provided, and adequate provisions must exist or be made for ingress, egress, and turning of vehicles within the site.
- The Historic District Commission shall approve all plans for dwelling units located in detached accessory buildings when proposed in the Historic District.
- An accessory living unit in a detached accessory building shall be recorded by deed addendum at the Registry of Deeds, indicating the conditions and limitations of the approval granted.
- m. The single-family dwelling or the accessory living unit shall not be converted to a condominium or any other form of legal ownership distinct from the ownership of the existing single-family dwelling."

The Business portion of Town Meeting was called to order at 7:27pm.

Moderator Prigge explained that the non-voters were requested to sit in the back of the upper hall. All registered voters were given colored index cards that may be used for voting and Moderator Prigge explained how that would happen.

Moderator Prigge lead the assembly in the Pledge of Allegiance and Rev. Lynda Tolton read a blessing.

ARTICLE 14. To hear and act upon the reports of Agents, Committees and Officers, heretofore chosen.

Selectman Susan Silverman made a motion to waive the reading of the Warrant and to accept the Town Report for 2011; Motion 2<sup>nd</sup>. Selectman Silverman stated that Selectman N. Carney was not able to attend this meeting but had been at the polls during the day. Selectman Silverman continued by thanking volunteers and employees for their service in 2011 on such projects as the Newsletter, painting fence in the common, and the Highway Department's work on removal and reconstruction of salt shed.

**ARTICLE 15.** To see if the town will vote to raise and appropriate the Budget Committee recommended sum of \$1,790,014 for general municipal operations, or take any action thereon. The Selectmen recommend \$1,788,638. NOTE: This warrant article (operating budget) does not include appropriations voted in any other warrant articles.

Budget Committee Chairman C. Hagstrom made a motion to pass the article as written. Motion 2<sup>nd</sup>.

There was no discussion on the Article.

# Voted in the AFFIRMATIVE

- **ARTICLE 16.** (By Petition) Shall the Town of Fitzwilliam prohibit vote counting concealed from the human eye by method of computerized voting machines, tabulators or other electronic devices and require that all methods used for sorting and counting the votes in all elections be publicly observable for full citizen oversight of the entire voting system? (The secrecy of vote casting shall be maintained)
- T. Garcia made a motion to pass the article as written; Motion 2<sup>nd</sup>. T. Garcia stated she has been a resident of Fitzwilliam for 9 years and has a real concern about the current voting process. She continued by explaining her concerns and stated that computerized voting does not allow an open and public count of the votes. She spoke at length of her concerns.
- J. Sable stated that she has been a resident of Fitzwilliam for 30 years and was part of the 2005 vote to purchase the Accu-Vote machine. She indicated that if she knew then what she knows now she would never have voted for it. She spoke at length of her concerns and referenced the documentary "Hacking Democracy".
- H. Wood explained that the use of the Accu-Vote machine has been allowed in NH since 1994. In that time the State has held over 200 recounts (the most in the country). The State allows Towns to vote on its use because she feels it is the Town that deals with any issues that may arrive because of the use, or lack

of use, of the machine. She referenced RSA 659:61, 659:63 and stated she has had several conversations with Deputy Secretary of State Dave Scanlan on this issue. One issue she wanted to point out was that we may need to change the Business Meeting portion of the Town Meeting to another day or be prepared to open meeting very late (after the ballots have been counted). It was questioned why, in the past before the machine, the counting could be suspended. H. Wood said she was not part of the process then and could only speak of now and what she has been told by the Secretatry of State's office.

HB627 (sealed ballots are not part of the Right to Know Law) was briefly discussed.

- C. Owens stated that she feels there is no way to know if the machine is accurate in every case if a hand audit is not completed. D. Kenney asked if the State has in place an audit system. H. Wood stated that currently the State does not require any kind of auditing because the number of recounts that are done acts as an unofficial audit. D. Kenney asked who can get a recount. H. Wood stated that a candidate can apply for recount. C. Talbert asked who acts as Board of Recount. H. Wood stated that at the Town level the BOS acts as Board of Recount under the Moderators direction. M. Nolan stated his concern with the accuracy of a hand count.
- E. Durmer stated that he wasn't questioning the machine but often feels privacy is an issue when voting using the machine. J. Sable stated that she noticed that very few people request or use the privacy envelopes.
- J. Sable also mentioned that 20% difference is limit for eligibility for recount. (during meeting H. Wood stated that was incorrect believing she heard that candidates needed 20% difference before recount could take place and referenced RSA 660-RSA 669:31 fees and stated as little as 1% difference can apply for recount).
- V. Fisher made a motion to Move the Question; Motion 2<sup>nd</sup>. There was no more discussion.

ARTICLE 17. To see if the town will vote to rescind action taken under Article 11 at the 1888 Annual Meeting of the Town accepting "the donation of William Lebourveau's deed of a never-failing spring of water on his hill"; which action was also formalized by a quitclaim deed from William Lebourveau to the Town of Fitzwilliam dated April 26, 1887, and to authorize the Board of Selectmen to reconvey said spring of water with all appurtenant rights to the present owner of the tract on which the spring is situated (Tax Map 15 Lot 06-12 of the tax maps of the Town of Fitzwilliam), Filipi Contracting, LLC, or take any action thereon.

Selectman B. Doerpholz made a motion to pass article as written; Motion 2<sup>nd</sup>. Selectman Doerpholz explained in the 19<sup>th</sup> century the well was deeded to the Town at Town Meeting and because that is how the Town received the well that is how the Town needs to give up ownership (at Town Meeting). He explained this is a non-functioning well and is of no use to the Town.

**ARTICLE 19.** To see if the town will vote to raise and appropriate the sum of \$160,000 for the purpose of purchasing an ambulance, said appropriation to be funded by withdrawing \$56,000 from the Ambulance Capital Reserve Fund created by ARTICLE #21 at the 1998 Town Meeting, withdrawing \$70,000 from the Ambulance Revolving Fund, with the balance of \$34,000 to be funded by taxation, said appropriation to be non-lapsing for up to three years, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

Fire Chief Edwin O. Mattson Jr. made a motion to pass article as written; Motion  $2^{nd}$ . A. Rickheit asked if this was non-lapsing. Chief Mattson said yes, they have up to 3 years to make acquisition.

# Voted in the AFFIRMATIVE

**ARTICLE 20.** To see if the town will vote to raise and appropriate the sum of \$12,000 to be used to fund special town events to celebrate the 250<sup>th</sup> Anniversary of the settlement of Fitzwilliam, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

S. Massin made a motion to pass article as written; Motion 2<sup>nd</sup>. S. Massin explained that currently there are 18 events planned. She also stated that the committee is working hard on fund raising and any money raised will be used to offset the amount requested tonight. L. Tolten stated that the committee hopes to raise significant money at the Silent Auction in April.

# Voted in the AFFIRMATIVE

**ARTICLE 21.** To see if the town will vote to raise and appropriate the sum of \$15,000 to repair the Town Hall Tower, said appropriation to be non-lapsing for up to one year, or take any action thereon.

(Recommended by Budget Committee, Recommended by Board of Selectmen)

Selectman S. Silverman made a motion to pass article as written; Motion 2<sup>nd</sup>. Selectman Silverman reviewed the repairs to date. Stated that during the work that was authorized last year more extensive damage was discovered so those particular issues needed to be addressed for safety reasons. This money is to continue the work that was postponed last year, which include spires, lightening rods, and

glass globes. Selectman B. Doerpholz stated that both the BOS and Budget Committee "guestimated" in 2011 on the money needed to repair the tower. Found unexpected items so had to divert project to address safety issues. Stated the West Rindge Builders is reusing a lot of the materials, saved a lot on the clock face and only had to rebuild minimal parts.

# Voted in the AFFIRMATIVE

**ARTICLE 22.** To see if the town will vote to raise and appropriate the sum of \$3,752 to purchase two portable radios for the Police Department, said appropriation to be funded by authorizing the Board of Selection to accept a FY 2011 New Hampshire Homeland Security and Emergency Management Emergency Management Performance Grant in the amount of \$1,876 with the remaining balance of \$1,876 to be raised by taxation, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

Police Chief W. Kassotis made a motion to pass the article as written; Motion  $2^{nd}$ . Chief Kassotis explained that these new portables will bring newest technology to the department. Current radios are outdated and not supported any longer. Chief Kassotis explained that he originally requested the replacement of only one but with the grant may be able to replace 2 for the same money.

# Voted in the AFFIRMATIVE

**ARTICLE 23.** To see if the town will vote to raise and appropriate the sum of \$2,500 to purchase materials, equipment and labor to construct an ice skating rink, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

C. Beede made a motion to pass article as written; Motion 2<sup>nd</sup>. R. Hannett spoke in support of the ice rink. Stated that there is so little for the youth to do in town. Views this in a positive way. Question about allowing hockey was asked. C. Beede referred liability question to P. Thompson. P. Thompson explained that the Town's carrier will not allow hockey. Too much danger liability to Town. Already have signs indicating hockey not permitted from the prior rink behind the fire station. This is for recreational skating only. There will be no age restriction. D. Kenney asked who would maintain. Selectman B. Doerpholz stated that once the rink is purchased and up that the maintenance costs would become part of the Recreation Department's operating budget. There was the question of youth loitering. Chief Kassotis stated that this area is used by young adults, kids now for basketball and there is a curfew. Lights would be out by 9pm.

#### Voted in the AFFIRMATIVE

**ARTICLE 24.** To see if the town will vote to raise and appropriate the sum of \$2,000 for special cemetery projects (to include, but not limited to repairing, cleaning and resetting headstones, tomb and ironwork repair), said appropriation to be non-lapsing for up to one year, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

M. Grab made a motion to pass article as written; Motion 2<sup>nd</sup>. M. Grab stated that this line has been in the operating budget for years. The problem with that is if the "special projects" were not completed or if time did not allow for any extra work the money would go into the General Fund. This would allow the funds to remain for an additional year to allow more time to complete. Selectman B. Doerpholz explained that both the BOS and Budget Committee felt this is outside the normal operating budget because it is for "special" or additional work, not regular to the cemetery.

# Voted in the AFFIRMATIVE

ARTICLE 25. To see if the town will vote to raise and appropriate the sum of \$7,500 to create an Expendable Trust Fund under the provisions of RSA 31:19a, for the purpose of repairing and maintaining highway department vehicles and equipment, and further name the Board of Selectmen as agents to expend from said fund in the best interest of the town, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

G. Cuomo made a motion to pass article as written; Motion 2<sup>nd</sup>. G. Cuomo explained that the operating budget has a maintenance line but for some time have been adding to it for issues that he is anticipating (gave an example of major repair to loader). The loader has been kept going and they have not had to do anything "major" so the additional funds get put back in the General Fund. This fund would allow the money to remain and reduce the maintenance line in the operating budget. This would be used for repair and maintaining not purchasing.

**ARTICLE 26.** To see if the town will vote to raise and appropriate the sum of \$2,500 to create an Expendable Trust Fund under the provisions of RSA 31:19a, for the purpose of purchasing a cemetery department vehicle, and further name to the Board of Selectmen as agents to expend from said fund in the best interest of the town, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

M. Grab made a motion to pass the article as written; Motion 2<sup>nd</sup>. M. Grab stated that the current cemetery vehicle was a 1997 Ford F150 that the town acquired 2<sup>nd</sup> hand from the State of NH through auction. M. Grab stated that currently approximately \$800 annually is spent on maintaining this vehicle.

# Voted in the AFFIRMATIVE

**ARTICLE 27.** To see if the town will vote to raise and appropriate the sum of \$10,000 to be added to the Capital Reserve Fund created by ARTICLE # 11 of the 1969 Annual Meeting for the purchase of a fire department vehicle, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

Fire Chief E. Mattson Jr. made a motion to pass the article as written; Motion  $2^{\rm nd}$ 

There was no discussion.

ARTICLE 29. To see if the town will vote to adopt RSA 79-F, Taxation of Farm Structures and Land under Farm Structures, to allow the selectmen to appraise qualifying farm structures for no more than their replacement costs less depreciation; and the land under the qualifying farm structures at no more than 10 percent of its market value? (The land under the qualifying farm structure shall be contiguous to a minimum of 10 acres of open space land. Owner must apply to the selectmen on or before April 15 of said year on a form approved and provided by the commissioner, to have his or her parcel of land so classified), or take any action thereon.

L. Chase made a motion to pass article as written; Motion 2<sup>nd</sup>. L. Chase explained that last year an Agricultural Commission was developed. This would make the Town's current use match the State's current use regulation. This would allow consistency. Currently, in town, if a landowner wants to put a greenhouse on land, that land would need to be taken out of current use. E. Durmer asked for a definition of "qualifying structures". Selectman B. Doerpholz stated that RSA 79F has definition and gave example of greenhouses, grain storage and such. Few properties would qualify. G. Heald stated that basically the land under the "qualifying structure" (greenhouse/grain storage)would still be taxed at current use rate.

**ARTICLE 30.** (By Petition) To see if the town will vote to establish a parcel of land, identified on the Fitzwilliam Tax Map as Map 13, Lot 5-3, as part of the Widow Gage Town Forest as provided in RSA 31:110, or take any action thereon

P. Kotila made a motion to pass article as written; Motion 2<sup>nd</sup>. P. Kotila explained that last year the Town purchased the "Menard" property and explained what was done with it. This would officially make this land part of the Widow Gage Forest.

# Voted in the AFFIRMATIVE

Motion to adjourn was made. Motion 2<sup>nd</sup>. Meeting adjourned at 8:45

Moderator Prigge announced winners in Article 1.

Respectfully submitted,

Heidi L. Wood
Town Clerk, Fitzwilliam

# RESTORATION OF INVOLUNTARILY MERGED LOTS RSA 674-39-aa NOTICE

If you own real estate lots that were involuntarily merged by municipal action, you may be able to have those lots restored to their pre-merger status.

Your property may qualify if two or more lots were merged for zoning, assessing, or taxation purposes and the merger occurred:

- During your ownership, without your consent; or
- Prior to your ownership, if no previous owner consented to the merger.

To restore your property to pre-merger status, you must:

- Make a request to the local governing body
- No later than December 31, 2016.

# Once restored:

Your properties will once again become separate lots; however, they
must still conform to applicable land use ordinances. Restoration
does not cure non-conformity.

Read the full statute at <u>RSA 674:39-aa Restoration of Involuntarily Merged Lots</u>.

The polls will be open on ballot issues not later than 11:00 a.m. and close not earlier than 7:00 p.m., or such later time as shall be authorized by a vote of the Town.

**ARTICLE 1.** To bring in your votes for the election of one Selectman for three years; one Fireward for three years; two Budget Committee Members for three years; one Budget Committee Member for two years; one Trustee of the Trust Funds for three years; two Trustees of the Library for three years; one Supervisor of the Checklist for three years; one Cemetery Commissioner for three years; two Planning Board members for three years; and three Commissioners of Plante Memorial Park for one year.

ARTICLE 2. Blasting Ordinance. To see if the town will vote to amend the Fitzwilliam Land Use Code by adding Chapter 210, Blasting and/or Explosive Demolition Ordinance, a comprehensive ordinance that protects the health, safety and general welfare of the Town of Fitzwilliam and its residents, and governs blasting, explosive demolition or other use of explosive within the Town of Fitzwilliam, by requiring the following: issuing permits to conduct such operations; regulating all aspects of blasting operations, including scope and size of operation; compliance with relevant state and local requirements; compliance with the Minimum Standards of Conduct in the NH Code of Administrative Rules; pre and post blasting condition surveys and seismic measuring; geological surveys as appropriate; and ongoing monitoring by qualified professionals.

# Yes No (Recommended by the Planning Board)

**ARTICLE 3.** (By Petition) To see if the town will vote to amend the Fitzwilliam Land Use Code as proposed by petition of the voters of the Town of Fitzwilliam to allow "quarry reclamation" as a new and permitted use within the Rural/Residential District?

- Table of Principal Uses, Section 127-12 Industrial Uses, after "H" insert new row "I" entitled "Quarry Reclamation"
- 2. indicating "Y" in the Rural/Residential District column of the table and "N" in all other districts and columns of the table.
- 3. Section 127-12, insert new paragraph "I" stating "Quarry Reclamation: A principal land use whereby an operator reclaims the grounds of and surrounding a former dimensional stone quarry by collecting, transporting and donating or reselling previously quarried stone that is spread and stockpiled upon, and separated from, the rock formations from which it was originally cut. Said quarry reclamation shall not include on-site

(Not Recommended by the Planning Board)

**ARTICLE 4.** (By Petition) To see if the town will vote to add the following to Article VIII Nonconforming Lots, Uses, Structures and Parking, Section 127-36: "Existing structures or buildings that have a nonconforming setback may be expanded or changed in a more conforming direction, or if the expansion, change or addition of structures does not increase the existing nonconforming setback."

Yes No

(Not Recommended by the Planning Board)

**ARTICLE 5.** To hear and act upon the reports of Agents, Committees and Officers, heretofore chosen.

**ARTICLE 6.** To see if the town will vote to raise and appropriate the Budget Committee recommended sum of \$1,817,075 for general municipal operations, or take any action thereon. The Selectmen recommend \$1,816,923. NOTE: This warrant article (operating budget) does not include appropriations voted in any other warrant articles.

**ARTICLE 7.** To see if the town will vote to raise and appropriate the sum of \$302,000 to be added to the Roads Repair and Maintenance Expendable Trust Fund created by ARTICLE #8 of the 2011 Town Meeting, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

ARTICLE 8. To see if the town will vote to raise and appropriate the sum of \$15,000 to be added to the Highway Cold Storage Building Expendable Trust Fund created by ARTICLE #35 of the 2007 Annual Town Meeting, or take any action thereon. Note: This appropriation, added to the balance in the Expendable Trust Fund will allow the town to complete the cold storage building project at the Highway Department. (Recommended by Budget Committee, Recommended by Board of Selectmen)

**ARTICLE 9.** To see if the town will vote to raise and appropriate the sum of \$10,000 to be added to the Highway Department Vehicles and Equipment Repair Expendable Trust Fund created by ARTICLE #25 of the 2012 Annual Town Meeting, or take any action thereon. (Recommended by Budget Committee, \$5,000 Recommended by Board of Selectmen)

**ARTICLE 10.** To see if the town will vote to raise and appropriate the sum of \$31,000 to prepare any additional plans, prepare and submit necessary State of New Hampshire permit applications, purchase materials, and contract equipment and labor required to make repairs to the boat ramp and install a dry hydrant on Tax Map 20 Lot 05, said appropriation to be non-lapsing for up to two years, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

#### **TOWN WARRANT 2013 - Continued**

**ARTICLE 11.** To see if the town will vote to raise and appropriate the sum of \$2,500 to purchase an emergency management 25 person shelter kit to include, but not limited to cots, blankets, pillows etc., or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

**ARTICLE 12.** To see if the town will vote to raise and appropriate the sum of \$6,800 for painting and repair of the exterior of the Fitzwilliam Town Library, said appropriation to be non-lapsing for up to one year, or take any action thereon. Note: this is phase one of a two phase project. (Recommended by Budget Committee, Recommended by Board of Selectmen)

**ARTICLE 13.** To see if the town will vote to raise and appropriate the sum of \$5,000 to create digital and duplicate sets of Cemetery records and archive same, for all town cemetery records, to be non-lapsing for up to two years, or take any action thereon. Note: this is the first phase of a three phase project. (Recommended by Budget Committee, Recommended by Board of Selectmen)

ARTICLE 14. To see if the town will vote to accept from Meadowood County Area Fire Department a conveyance of the Main Fire Station and Annex #1 property (Tax Map 39 Lot 03-01) and Annex #2 property (Tax Map 17 Lot 11-01), both situated on the Upper Troy Road, said transfer to be made without consideration being paid by the Town, provided that in the event the Town accepts the transfer of said real estate but decides at some future time that said real estate is not necessary for municipal purposes, that said real estate will be retransferred to Meadowood County Area Fire Department if it is still in existence, otherwise, the Town shall be free to transfer the property on the open market; and further provided that in the event the Town improves said real estate but no longer wishes to use it for municipal purposes, the cost of said improvements may be considered in any retransfer of the property to the Meadowood County Area Fire Department, or take any action thereon.

ARTICLE 15. To see if the town will vote to raise and appropriate the sum of \$11,000 to be added to the Town Buildings Maintenance and Repair Expendable Trust Fund created by ARTICLE #24 of the 2005 Annual Town Meeting, or take any action thereon. (The selectmen proposed the following projects for 2013: replace two furnaces in the town hall, refinished floors in the Town Hall to include the lower hall, complete the Town Hall Benches Project.) (Recommended by Budget Committee, \$10,000 Recommended by Board of Selectmen)

**ARTICLE 16.** To see if the town will vote to raise and appropriate the sum of \$5,000 to be added to the Cemetery Department Vehicle Expendable Trust Fund created by ARTICLE #15 of the 2012 Annual Meeting, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

ARTICLE 17. To see if the town will vote to raise and appropriate the sum of \$10,000 to be added to the Capital Reserve Fund created by ARTICLE # 11 of the 1969 Annual Meeting for the purchase of a fire department vehicle, or take

any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

**ARTICLE 18.** To see if the town will vote to raise and appropriate the sum of \$8,000 to be added to the Fire Department Bunker Gear and Pagers Expendable Trust Fund created by ARTICLE #20 of the 2004 Annual Town Meeting, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

ARTICLE 19. (By Petition) To see if the town will vote to enter into a three (3) year lease/purchase agreement not to exceed Thirty-Five Thousand dollars (\$35,000) to purchase and equip a new four wheel drive police vehicle, and to raise and appropriate the sum not to exceed Twelve Thousand dollars (\$12,000) for the first year's payment for that purpose. This lease agreement contains an escape clause. The amount of this article is not included in the operating budget. This vehicle will replace the current Ford Expedition Police Vehicle and to further allow that the Ford Expedition be traded in toward the purchase of the new vehicle and such funds from the trade to be applied to reduce the overall cost of the new vehicle, or take any action thereon. (Not Recommended by Budget Committee, Not Recommended by Board of Selectmen)

**ARTICLE 20.** To see if the town will vote to authorize the Selectmen and the Conservation Commission to negotiate with the Monadnock Conservancy, a regional land conservation trust, or with similar qualified conservation organizations, for the purpose of conveying conservation easements on all present and future Fitzwilliam Town Forests (designated as such in accordance with RSA 31:110). These easements, which will require final approval by the Board of Selectmen, will assure permanent enforceable protection for all the Fitzwilliam Town Forests, or take any action there.

#### SUPPLEMENTAL SECTION

#### BLASTING AND/OR EXPLOSIVE DEMOLITION ORDINANCE

## § 127-1 Purpose

It is declared to be in the best interest of the health, safety and general welfare of the Town of Fitzwilliam and its residents to enact the following regulations governing blasting, explosive demolition or other use of explosives within the Town of Fitzwilliam.

## § 127-2 Authority

This Ordinance is enacted pursuant to the statutory authority granted to the Town of Fitzwilliam by RSA 31:39.

#### § 127-3 Definitions

For the purpose of this Ordinance, the following words and phrases, when used herein, shall be construed as follows:

- BLASTING LOG A detailed written record of the type, amount, depth of
  explosives and other blasting details submitted to the Town of Fitzwilliam. The
  NHDOT Section 203 Blasting Log or equivalent should be submitted in metric or
  English.
- 2. BLASTING ADMINISTRATOR Appointed by the Selectmen to administer/enforce the Blasting Ordinance.
- 3. BOARD Board of Selectmen of the Town of Fitzwilliam.
- 4. EXPLOSIVES Those materials that are either chemically or otherwise energetically unstable, or produce a sudden expansion of the material usually accompanied by the production of heat and large changes in pressure (and typically also a flash and/or loud noise) upon initiation including but not limited to: dynamite, any explosive compound of which nitroglycerin forms a part, fulminate in bulk or dry condition, blasting caps, detonating fuses, black powder, and ammonium nitrate/fuel oil (ANFO). Explosives do not include fireworks.
- 5. FLYROCK Rock propelled beyond blast area by the force of an explosion during quarrying or tunnel blasting.
- PEAK PARTICLE VELOCITY (PPV) A measurement of maximum ground vibration, in any of the three mutually perpendicular components of particle velocity.
- SEISMIC MEASURING EQUIPMENT Shall be that equipment utilized to measure ground effects of blasting and or explosive detonation which may include but is not limited to: creepmeters, seismographs, seismometers, strainmeters, or magnetometers.
- 8. STRUCTURE/HABITABLE STRUCTURE A "structure" as used herein shall be anything which is built or constructed on a property (i.e. property improvements) including activity for which a building permit or site permit is required such as foundations, driveways, roadbeds, parking lots, swimming pools, wells, waste disposal systems and utility installations. A "habitable structure" is a structure which persons are occupying or may occupy, including residential

 dwellings, commercial and industrial buildings, garages, sheds, barns, and storage buildings.

## § 127-4 Blasting Permits Applicability

- A. No person shall engage in blasting or detonation of explosive materials within the Town of Fitzwilliam without first obtaining a permit to conduct such operations from the Blasting Administrator of the Town.
- B. Blasting permits may be issued for blasting operations with the following maximum vibration limits as measured outside the nearest habitable structure from the blasting site: PPV of 13mm/s or 0.50 in/s at frequencies below 40 Hz. and 25 mm/s or 1.0 in/s at frequencies up to 100 Hz or greater.

## § 127-5Permit Duration

There are three categories of blasting permits based on the cubic yards of materials to be blasted and length of time to complete the blasting operations. All blasting activities are expected to be finished within the permit duration and permits shall expire at that time, unless otherwise revoked hereunder.

- A. A 30-day permit is required for smaller blasting operations, such as swimming pools and house foundations, where a total aggregate of up to 4,000 cubic yards of blasted material are removed from the ground.
- B. A 60-day permit is required for larger blasting operations where a total aggregate of 4,000 to 15,000 cubic yards of blasted material are removed from the ground.
- C. A 90-day permit is required for the largest of blasting operations, such as road construction, where a total aggregate of more than 15,000 cubic yards of blasted material is removed from the ground.
- Successive or renewed permits are permitted, provided application information is updated and a new application fee is paid.
- E. After a second renewal, submission of a written impact evaluation of the site and potentially affected properties may be required by the Blasting Administrator, dependent upon the type of the original permit that was issued.
- F. A permanent record of all permits issued under this Ordinance will be kept in the Land Use Office.

# § 127-6Application Form

- A. A properly executed application form shall be submitted to and approved by the Blasting Administrator for all blasting permits, prior to commencement of any blasting or detonation.
- B. Approval of the blasting permit will not relieve the Applicant of full and complete responsibility for the results of the blasting operations. The Applicant also has full responsibility for the accuracy and adequacy of the blasting plan when implemented in the field.

- C. The application form shall contain or be accompanied by the following information:
  - 1. Name, address, and daytime phone number of the Applicant.
  - Copy of license issued by State Police to the Applicant with proof of identification, under RSA 58:9-b.
  - Name, address, experience, qualifications, and daytime phone number of blasting supervisor.
  - A copy of blasting supervisor's Certificate of Competency issued by State Police pursuant to RSA158:9-h.
  - 5. The tax map number and physical location where blasting is to be conducted.
  - 6. A map or plan at a scale not greater than 1" = 200' depicting the approximate location of the proposed blasting/detonation, and all properties within 500 feet for a 30 day blasting permit, 750 feet for a 60 day blasting permit, and 1000 feet for a 90 day blasting permit.
  - 7. A list of the owners of all such properties identified in #6 above, together with a notation as to whether such properties are improved by a structure, and the type of occupancy (i.e., residential, commercial, industrial).
  - 8. A letter of permission from the property owner of the blasting site, if not the applicant.
  - 9. Evidence of general liability and property damage insurance issued by a carrier authorized by the State of New Hampshire Insurance Commissioner to do business in New Hampshire in amounts not less than the following: 1) \$2,000,000 combined single limit per occurrence for a 30 day duration permit; 2) \$4,000,000 for a 60 day duration permit, and; 3) \$6,000,000 for all permits for greater than 60 days duration. All liability insurance companies supplying policies per this Ordinance shall have at least a double A (AA) Moody Bond rating.
  - 10. Documentation of compliance with Section 127-9 Local Requirements.
  - 11. The Applicant shall submit the following information to the Blasting Administrator at least two weeks prior to commencing drilling and/or blasting operations:
    - a. Sequence and schedule of production blast rounds, including the general method of developing the excavation, lift heights, starting locations, estimated starting dates, estimated rates of progress, etc.
    - Written evidence of the licensing, experience, and qualifications of the blaster who shall be directly responsible for the loading and firing of each shot.
    - Name, experience, and qualifications of the person responsible for designing and directing the Applicant's blasting operation.
    - Name, experience, and qualifications of the person to be used to conduct pre-blast condition surveys.
    - Name, experience, and qualifications of the person to be used in monitoring blast vibration.

All permit applications shall be accompanied by the proper application fee as established by the Board of Selectmen in accordance with RSA 41:9 a.

# § 127-8Minimum Standards of Conduct

Unless more stringent provisions are contained herein, the conduct of all blasting or explosive detonations shall be governed by the standards in New Hampshire Code of Administrative Rules, Saf-C Section 1600, et seq.

## § 127-9Local Requirements

In addition to any other requirements of State law, the following additional requirements shall apply to blasting activity within the Town of Fitzwilliam:

A. General: All blasting operations, including the storage and handling of explosives and blasting agents, shall be performed in accordance with the applicable provisions of this Ordinance and all other pertinent Federal, State, and local regulations. Whenever explosives are used, they shall be of such character and in such amounts as are permitted by the State and local laws and ordinances, and all respective agencies having jurisdiction over them.

#### B. Pre-blast Condition Survey:

- Prior to conducting any blasting, the Applicant or their agent shall conduct a
  pre-blast condition survey of all existing structures and conditions on the
  site, adjacent to the site, and within the following radius: 1) 500 feet for
  blasting operations requesting a 30 day permit, or; 2) 750 feet for blasting
  operations requesting a 60 day permit; or 3) 1000 feet for blasting operations
  requesting a 90 day permit.
- 2. The survey shall extend to such structures or conditions as may be affected by the blasting. At a minimum, the survey shall be conducted on all structures, including homes, foundations, driveways, roadbeds, swimming pools, wells, and mobile homes, within the areas described above. The Applicant, as well as the owner of the property being surveyed, shall sign all such surveys once completed. The Applicant shall notify the property owner(s) by certified mail of the need for the survey and request permission to conduct the survey. If a property owner, for whatever reason, refuses to allow for the conducting of a pre-blast survey or to sign a pre-blast survey form, then the Applicant shall note this on the form.
- 3. The pre-blast structural inspection condition survey shall consist of a written description of the interior and exterior condition of each of the structures examined. Descriptions shall locate any existing cracks, damage, or other defects, and shall include such information so as to make it possible to determine the effect, if any, of the construction operations on the defect. Where significant cracks or damage exist, or for defects too complicated to describe in words, photographs shall be taken. A good quality videotape survey with appropriate audio description of locations, conditions, and defects can be used in lieu of a written form. This survey shall be kept for a minimum of seven (7) years and provided to the Blasting Administrator upon request. In addition, copies of the completed survey and videos shall be delivered to each property owner free of charge within 14 days.
- 4. The individual person conducting the survey shall give written notice to the owner of the property concerned, as well as to any tenants of the property. The notice shall state the dates on which surveys are to be made. Copies of all notices shall be provided to the Blasting Administrator.

- 5. Upon completion of all earth/rock excavation and blasting work, the Applicant shall conduct a post-blast survey of any properties, structures, and conditions for which complaints of damage have been received or damage claims have been filed. Notice shall be given to all interested parties so that they may be present during the final examination. Records of the final examination shall be distributed the same as the original pre-blast condition survey.
- 6. All costs associated with condition surveys shall be borne by the Applicant.
- Seismic Measuring Devices: Prior to conducting any blasting, the Applicant or their agent shall identify the two closest structures to the blasting site not owned by the owner of the blast site and request written permission from the Owner(s) thereof to install and monitor seismic measuring equipment. The Applicant shall make four (4) attempts to obtain such permission. The fourth and final attempt shall be made in writing via certified mail and, if unsuccessful, the seismic measuring equipment shall be installed between the structure and the blast location as close as reasonable to the structure. An explanation of the reason for such location shall be made on the vibration monitoring report for such structure and the PPV shall be extrapolated to the structure using standard relations. Prior to conducting any blasting, seismic measuring equipment shall be installed as described above. The Blasting Administrator may require additional measuring devices when necessary to protect property. If an owner refuses to allow for or waives the placement of seismic measuring equipment, the Applicant shall note this on the vibration monitoring report. All costs associated with analysis and monitoring shall be borne by the Applicant.
- D. <u>Map of Operations</u>: The Applicant shall provide a vicinity map and plan, locating the blast site, blast area, and the locations of all measuring devices required hereunder.
- E. Additional Surveys / Seismic Devices: The Town, through its Blasting Administrator or Board of Selectmen, reserves the right to require additional condition surveys and/or placement of seismic measuring equipment on properties farther than specified should the need arise due to complaints or other causes. Further, the Town reserves the right to require geological surveys of the area around the blasting location should conditions warrant such analysis. Such additional requirements may be prerequisites to obtaining any permit renewals.
- F. <u>Timing of Blasting Operations</u>: Blasting and/or detonation shall be conducted only between the hours of 10:00 am and 3:00 pm, and shall not be permitted on Saturdays, Sundays or town observed holidays.
- G. <u>Blast Vibration Control and Monitoring</u>: The Applicant shall be required to comply with the blasting vibration limits established by the applicable State of New Hampshire rules and regulations. The Town reserves the right to impose lower maximum vibration limits.
- H. <u>Vibration Monitoring Instrumentation</u>: All vibration monitoring instrumentation proposed for use on the project by the Applicant shall comply with the following requirements:

 Measure, display, record, analyze, and print three-component ground motion and measure, display, record and print air pressure with specification equal to or better than the following:

<u>Range:</u> 0.01-10 in/s

Resolution: seismic, 0.005 in/s

acoustic, 1 db

Sample Rate: 1024 Samples/s

Frequency Response: 0-250 Hz, flat within 3 db Trigger Source: seismic and/or acoustic

Trigger Level: seismic, programmable, 0.02-2.00

in/s

acoustic, programmable, 100-129 db,

Linear weighting scale 1-10 s plus 0.5 s pre-trigger

Record Time: 1-10 s plus 0.5 s pre-trigger
Storage Capacity: 100 1-sec events at 1024 samples/s

 Measure the three (3) mutually perpendicular components of particle velocity in directions vertical, radial, and perpendicular to the vibration source. Full wave forms must be recorded.

- All seismographs used on the project shall display the date of the most recent calibration. Said calibration must have occurred within the last twelve (12) months and been performed to a standard traceable to the National Institute of Standards and Technology.
- I. Report of Monitoring Results: Within forty-eight (48) hours of each blast, the Applicant, or their authorized representative, shall submit to the Blasting Administrator in writing the following items:
  - Details of the round as shot to include the information shown on the sample blasting log.
  - 2. Results of the blast monitoring at each instrument location, including the following:
    - a. Date and time of blast
    - b. Location of blast
    - c. Operator name and signature
    - d. Distance of seismograph from blast in feet
    - e. Listing of the maximum values of the three components of peak particle velocity, PPV (in/s), acceleration, PPA (g), displacement, PPD (in), time on the record at which the PPV occurs (ms), peak vector sum, PVS (in/s) and time on record at which the PVS occurs, peak sound pressure level, PSPL (psi) and time on record at which the PSPL occurs (ms), and the PSPL frequency (Hz)
    - f. Seismograph manufacturer, model, serial number, calibration date
    - g. Trigger settings
    - Software manufacturer, name, version used for download and/or analysis
    - i. Full waveform plots of three seismic components and acoustic component
    - j. Plot displaying OSM and USBM RI8507 analysis

- k. If the seismic ground vibration or air overpressure, or both ground vibration and air overpressure caused by the Applicant's blasting operation equals or exceeds either the limits established by the State of New Hampshire or the maximum limits imposed by the Town, which ever being more restrictive, the operations shall cease and the permit may be revoked by the Blasting Administrator.
- J. <u>Notice and Warning Signals</u>: Adequate warnings shall be given to all personnel in proximity to the blast site at least three minutes in advance of each blast. The Applicant shall use sirens or horns or both sirens and horns with sufficient intensity such that they can be heard for a minimum distance of 1,000 feet.
  - The Applicant shall notify the Fitzwilliam Police Department not less than
    one (1) hour before the scheduled time of blast or explosion with the address
    of the blasting site, the total pounds of explosives and the number of charged
    holes.
  - The Applicant shall publish a notice in the Keene Sentinel no later than one week prior to blasting operations noting the place, date of blasting operations, and estimated number of days of blasting.
  - 3. The Applicant shall notify all property owners within the required areas by certified US Mail, one week prior to blast, of the following information: the place, date and duration of the blasting operation. Blasting operations and activities lasting longer than 90 days requiring a permit renewal shall renotify the properties owners by mail and local paper publication.
- K. <u>Flyrock Control</u>: Before the firing of any blast in areas where flying rock or debris may result in personal injury or damage to property, the rock to be blasted shall be covered with approved blasting mats, soil, or other equally serviceable material to prevent flyrock.
- L. Responsibility for Blasting Operations: Review of the Applicant's blasting submittals by the Town of Fitzwilliam, the Blasting Administrator or their authorized representative will not relieve the Applicant of his/her responsibility for the accuracy, adequacy, and safety of the blasting; for exercising proper supervision and field judgment; for preventing damage to structures; and for producing results in accordance with the State of New Hampshire regulations and NHDOT Specifications. The Applicant shall be solely and completely responsible for the safety of all persons and properties during the performance of his/her work. The Applicant shall take whatever measures it deems necessary, in addition to the requirements herein, to protect the safety of persons and property, both at the construction site and away from the site. The Applicant shall have full and complete responsibility for the handling, discharging, or settling of any and all damage or annovance claims resulting from the blasting activities on the project. Any monitoring and/or review of the Applicant's procedures and performance conducted by the Town of Fitzwilliam, the Blasting Administrator's Office or their authorized representative shall not relieve the Applicant of his/her responsibility for safety at and away from the site, or for preventing damage to adjacent structures or property.
- M. <u>Blasting Monitoring</u>: The Blasting Administrator reserves the right to visit any blasting sites to monitor the operation. The Blasting Administrator may also confer with other town departments or private blasting consultants for advice or assistance in the review or monitoring of a blasting site. The Blasting

Administrator may require a Fire Department work detail to standby a site for safety or monitoring duties. The cost of a Fire Department work detail or any other private consultants necessary for enforcement of these regulations will be at the Applicant's expense.

- N. <u>Dust Control</u>: During and after the firing of any blast, dust control shall be in place to control the dust from the blast and the removal of the blasted rock and dirt. Dust migration from blasting operations, including rock removal and rock processing, to adjacent properties shall be controlled. Dust control plans and procedures shall be submitted with all blasting permit applications and approved by the Blasting Administrator.
- O. Site and Environmental Monitoring: Prior to undertaking any blasting, the Applicant of a 60 or 90 day blasting permit shall set up an escrow account to pay for geological and ground water monitoring consultants hired by the Town to oversee the blasting operations. The Applicant, Town consultants and the Blasting Administrator shall review the Applicant's blasting plan to determine what type of monitoring will be required to test the ground water quality and blasting procedures during blasting operations. The cost of this monitoring shall be paid for by the Applicant and/or the owner of the property.
- P. <u>Storage Prohibitions</u>: The overnight storage of explosives or blasting agents, whether supervised or not, is not allowed in the Town. Loaded explosives shall have twenty-four hour supervision and be guarded overnight when conditions or circumstances delayed the blast and the Blasting Administrator has approved the overnight delay in blasting.
- Q. <u>Best Management Practices</u>: The Applicant shall document compliance with any applicable Best Management Practices as outlined in "Rock Blasting and Water Quality Measures That Can Be Taken To Protect Water Quality and Mitigate Impacts" prepared by NH DES, 2010.

### § 127-10Revocation of Permit

A permit issued hereunder may be revoked by the Blasting Administrator for just cause including but not limited to: failure to conduct operations in accordance with the standards herein resulting in property damage that does or has the potential to exceed the amount of liability insurance held by the Applicant; lapse or revocation of the State license, or the institution of proceedings (civil, criminal, or administrative) by the State for violation of applicable State law or regulations. Revocation of permission to perform blasting operations in Fitzwilliam may result in the loss of all blasting permits for one year. An Applicant who has had a permit revoked may apply for a re-issuance to the Board of Selectmen who shall hold a public hearing on said request and, following same, determine whether or not a permit shall be reissued. The Applicant requesting the permit shall provide a detailed report to the Blasting Administrator outlining why they believe said permit should be issued along with any other information requested by the Blasting Administrator.

## § 127-11 Appeal

Any person who is denied a permit, or has such permit revoked, may request a hearing before the Board. Appeals shall be made in writing within ten (10) days to the Board of Selectmen, who shall hold a hearing within thirty (30) days to render a decision. The decision of the Board shall be final.

§ 127-12 Waivers

The Board of Selectmen may waive the application of these regulations with respect to any particular case when, in its opinion the enforcement thereof would do manifest injustice, and the Applicant has proven that the same degree of public health, safety and environmental protection required under these regulations can be achieved without strict application of a particular provision(s).

## § 127-13 Effective Date

This Ordinance shall be effective upon adoption by the Board of Selectmen.
